REPORT – NOEL MURPHY (CASTLE PARK FARM, KENTUCKY USA)

YEARLING SALES ENTRIES

Dark Bay/Brown Colt – DOB 7/02/10, by Dixie Union - Minge Cove

Horse is doing very well. Growing a lot. Got lots of size, strength and scope. Big walk. Selling in Book 3 at Keeneland September Yearling Sale - 14th September. Beautiful horse, should be very popular among everybody. Have been working on OCD in right stifle. This is somewhat of a concern, although xrays are promising.

Note: Aidan O'Brien in Ireland trains a Galileo ex La Chunga colt. He is called Act of War and reports from Coolmore are quite positive where he is described as a "nice" colt. Minge Cove is a half sister to Gypsy Monarch who is the dam of La Chunga. La Chunga has been joined 4 times in a row by Galileo which suggests they like this mating. Gypsy Monarch was a Group winner in England. We will keep you up-to-date if any more developments occur in this area.

Dark Bay/Brown Colt – DOB 23/04/10, by Forestry - Cape Augusta

Tall, leggy colt with lots of scope. Somewhat narrow. Selling in Book 5 at Keeneland September Yearling Sale - 17th September. He is a real trainer's kind of horse. Not a pin hooking type of horse. Forestry has done quite well lately with plenty of Stakes Winners. He is presently in 8th position on the US Sires List (up from 25th at the same time last year)

Note: Shackleford by Forestry won the 2nd leg of the US Triple Crown "The Preakness Stakes" (Group 1) at Pimlico. The SSBV1 are selling Forestry-Cape Augusta colt at Keeneland, Kentucky in September.

FOAL SALES ENTRIES

Dark Bay/Brown Colt – DOB 10/03/11, by Bluegrass Cat - Lady Lightning

This colt has size, strength and scope. Beautiful walk. In Noel's opinion, colt has a lot of leg under him for a Bluegrass Cat. Entered into Keeneland Foal Sale in November.

The mare has settled in very well at Swettenham Stud and is presently under lights.

Note:

1. Pedigree up date with a half-sister to the dam of Lady Lightning enjoying a significant Gr2 stakes winner from her daughter. The horse Big Blue Kitten (2008 c by Kitten's Joy) won his 5th race with victory in the Saratoga National Museum Of Racing Hall of Fame Stakes.

2. Theyskens' Theory the close relation to Lady Lightning has raced twice this season. She disappointed last start in the Group 1 Coronation Stakes after a very good first up win. See below her last 5 starts:

THEYSKENS' THEORY (USA), B. f. 2008, Bernardini -- Heat Lightning, by Summer Squall.

Theyskens' Theory is running in France next week before heading for her future racing in the US with the Yellow Ribbon Stakes at Grp 1 level a possible target. She should race in the US before we sell the colt foal which could only help.

SSBV1 MARE FOR SALE – www.bloodstock.com

Peacock Sally In Foal to Artie Schiller

Artie Schiller has enjoyed plenty of success and was recently crowned champion Freshman Sire of Victoria. The breeding venture has the only mare in the Southern Hemisphere in foal to him with Peacock Sally (USA).

Generally expected to excel at 3YO and beyond Artie Schiller produced seven stakes performers in his first American 2YO crop. Here in Australia he has thrown seven winners from fourteen starters. As a son of El Prado, sire of Medaglia D'Oro, out a dual Gr.1 Oaks winning mare further stud success is to be expected. We thought it was prudent to test the market by putting her on bloodstock.com.au for a short period of time (4 weeks) thereby making potential buyers aware of her existence prior to foaling. No sale has taken place. For your interest watch the Artie Schiller's race this new season as 3YO's as there are some good reports around on the progeny and winners will increase the appeal and worth of the associated progeny.

Peacock Sally (USA) is due to foal soon in quarantine at Swettenham Stud and we are hoping for a colt. Peacock Sally herself has a pedigree for mare owners to salivate over. Names featured in her table include breed shaping sires Conquistador Cielo, Mr Prospector, Vice Regent, Seattle Slew, Alleged, Raise a Native, Sir Ivor, Hoist The Flag, Buckpasser, Bold Reasoning, Never Bend and Northern Dancer.

A daughter of successful broodmare sire Marquetry, Peacock Sally is a half-sister to seven time group winner Magna Graduate, her grand-dam Anna's Honour also saluted at stakes level as did close relation Savannah's Honour. Also found in her pedigree is triple Gr.1 winning USA Champion Bates Motel.

A dam of four foals the first Peacock Sally's first three to race have all won, her fourth foal is a filly by Bluegrass Cat, a sire with huge wraps in the USA.

IMPORTED MARES DUE TO FOAL IN AUSTRALIA

In 2010 two mares went to Darley stallions (New Approach and Hard Spun) and one mare went to Swettenham Stud stallion (Kaphero). All three are due to foal early this Spring.

With regard to matings in 2011 we are particularly keen to see the foals the mares produce before determining their best mating based on type and pedigree analysis.

These are the mares in the SSBV1 prior to the 2011 season commencing:

Minge Cove in foal to Hard Spun:

- LDS 1/09/10
- Foal due approximately 6/08/11 (11 months and 5 days from conception).

Note: On August 1st the 7th Winner was achieved by freshman shuttler Hard Spun. The Gr1-winning shuttler & US 2007 Gr1 Kentucky Derby runner-up Hard Spun (Danzig-Turkish Tryst, by Turkoman) recorded his 7th 1st-crop winner when US-bred 2YO filly Hard Not To Like (Hard Spun-Like A Gem, by Tactical Cat) scored on debut over 6 furlongs on turf at Woodbine for trainer Gail Cox. Also, a son of Grade 1 winner Hard Spun sold for US\$675,000 at the Ocala Yearling Sale in Florida last week.

Cape Augusta in foal to New Approach

- LDS 10/09/10
- Foal due approximately 15/08/11 (11 months and 5 days from conception).

Tigresque in foal to Kaphero:

- LDS 11/10/10
- Foal due approximately 15/09/11.

Class Prevails in foal to Myboycharlie:

- LDS 3/11/10
- Foal due approximately 8/10/11.

Note: Class Prevails was purchased at the 2011 Magic Millions Gold Coast National Broodmare Sale for \$50,000 on behalf of the SSBV1. Her pedigree is attached at the end of this section. She is one of only 10 stakeshorses by her sire Delago Brom and in foal to the new stallion prospect Myboycharlie. [Footage- www.youtube.com/swettenhamstudvic](http://www.youtube.com/swettenhamstudvic) Lady Lightning is out of quarantine and presently under lights to stimulate her for an early service. Intended mating is to exciting 2nd season sire and Darley stallion Ad Valorem if pedigree matchups confirm she is compatible.

Kaphero foals continue to impress all and sundry. We have Tigresque in foal to Kaphero (see above). This colt from Plus Jamais (by Redoute's Choice) weighed 58kgs at birth and was born on the 9th of August 2011. He is seen here at 3 days of age and already out in the paddock with mum, at Swettenham.

Our Weanlings are now Yearlings as at August 1st

The weanling purchased for the SSBV1 will be sold in March at the Melbourne Premier Yearling Sale and the weanling bred by Dash For Cash x Tigresque will also be entered for the same sale.

Stratum x True Seduction Grey Colt

Purchased at the Magic Millions Weanling Sale at the Gold Coast for \$145,000. The colt was a standout lot with many "good judges" including Tony Williams (Magic Millions Bloodstock Advisor) very keen on him. We felt it was prudent to buy this colt rather than two cheaper weanlings for the same money. It was considered better to stick with all quality, particularly as our clients are often looking for a big ticket item at the Melbourne Sale. It will be very nice to be in a position to offer them this horse in 2012.
